This code set was prepared for use with the NCATS N3C Data Enclave (<https://covid.cd2h.org/enclave>) and supported by NCATS U24 TR002306. This code set does not contain any patient data. The enclave itself is made possible by the patients whose information is included within the data from participating organizations (<https://covid.cd2h.org/dtas>) and the organizations and scientists (<https://covid.cd2h.org/duas>) who have contributed to the on-going development of this community resource (<https://doi.org/10.1093/jamia/ocaa196>).
